PATRIOTIC REAL ESTATE AND BUSINESS PAVEMENT PROBLEM SOLVER FLAG

Special events, grand openings, home sales, and car lots catch the consumer's eyes better when displaying our stock patriotic sidewalk feather flag. When installing a ground stake isn't a option, our sidewalk kit is a great alternative. Each 2' x 8' feather flag is dyed onto a strong and easy-flying 3.8oz woven polyester based fabric with heavy-duty canvas pole sleeve, and a brass grommet for securing the flag to the 3 section interlocking flag pole hardware. Fill the hard plastic portable base with dry sand, insert the pole into the base and start to enjoy your 10' tall flag display. *Custom Designs available, inquire. The complete kit includes the Pavement Problem Solver Flag, Flagpole, & Base.*
