

MOURNING & PAPAL BUNTING ^(T)

Mourning Bow

When the United States flag is displayed on a shorter 1-piece residential flagpole where it can not be lowered to half staff for mourning purposes, then the proper way to indicate times of mourning is by tying a black bow above the United States flag.

Made within the United States of domestically made nylon, this 16" bow is suitable for that purpose and can be easily stored for future use.
