

## VIVICHROME SUNBRELLA MARINE ACRYLIC STREET BANNER (P)

These Street Banners are made from Sunbrella - the most durable material available. The woven acrylic canvas fabric carries a limited warranty against fading to 5 years. Each banner is brightly screen printed to be right-reading on both sides of the single-ply fabric and finished with 2 1/2 in. sewn fold-over sleeves on short sides to fit standard 1" hardware. Vertical edges are hemmed, with 2 grommets per banner.

- \* Crisp spot-color graphics in heavy ink
- \* Resistance to fading & harsh weather
- \* Strong & heavy acrylic canvas
- \* Can withstand long-term use over the heaviest vinyl
- \* Many bright fabric colors to choose from
- \* "Old-School" quality in a proven product

†Some light background colors may require double-ply background & liner at additional cost (see 2-ply upcharge in grid). Bleed imprints including printing on sleeves or into vertical edge hems are not available - see max. imprint sizes below. Sewn half-moon wind vents can be added at \$8.00 per vent. Other sizes and finish options are available - inquire.

Maximum imprint size: *Height* = banner height - ((2 x pole hem size) + 2") *Width* = banner width - 3"
